

Wednesday, June 25

Slot	Table 1	Table 2	Table 3	Table 4
8:00-noon	<p>Wildside Gaming: Introduction to Wildside <i>The Wildside Gaming System</i> is a flexible, innovative, ultra-realistic role-playing system designed specifically for adult and experienced gamers. Combining realistic and logical character development, realistic combat, a vast magic system, and accurate historical elements, <i>Wildside</i> is a versatile system designed especially for game masters who like to create their own settings for swashbuckling heroics, magic, and adventure in a complex fantasy world. It can also be used in a variety of other settings. This is a relaxed chance to learn about the game mechanics, roll a character, and ask questions, before jumping into any of the Wildside games going on all convention. (Kim Lawson, Nuance Bryant)</p>	<p>Wildside Gaming: Mini Games Short scenarios and strange encounters designed to introduce new characters to the Wildside Gaming System. Roll up a character at Table 1 and then jump into this game to take that character for a test drive. The session will focus on familiarizing people with the system rather than realism or fast pace. It's a chance to spend a little time in the slow lane before jumping into a quicker, more intense Wildside game. (Leigh Grossman)</p>		
1:00-5:00 p.m.	<p>Wildside Gaming: Family Ties After years spent in study abroad, your character brings friends home from the university, only to find that your entire clan has disappeared, and strangers now inhabit your old neighborhood. Finding out what happened will take your characters through wild city intrigues, desert encounters, and dark secrets. An open-ended adventure for experienced players. (Leigh Grossman)</p>	<p>Wildside Gaming: Introduction to Wildside <i>The Wildside Gaming System</i> is a flexible, innovative, ultra-realistic role-playing system designed specifically for adult and experienced gamers. Stop by this table at any time to learn about the game mechanics, roll a character, and ask questions, before jumping into any of the Wildside games going on all convention. (Kim Lawson)</p>	<p>Wildside Gaming Fiesta Whether you're a longtime Wildside gamer or just picked up the game this weekend, this is a chance to play in an open game or GM your own Wildside game with some of the system's authors and most experienced players. (Nuance Bryant)</p>	<p>Wildside Gaming Fiesta (overflow table)</p>
6:00-10:00 p.m.	<p>Wildside Gaming: Family</p>	<p>Wildside Gaming:</p>	<p>Wildside Gaming Fiesta</p>	<p>Wildside Gaming Fiesta</p>

6:00-10:00 p.m.	<p>Wildside Gaming: Koboldly Where Gnome Has Gone Before A map falls into the players' hands revealing the location of a powerful artifact. It can't be this easy, can it? As a matter of fact, it can't. Filled with puns, adventure, and old-style roleplaying, <i>Koboldly</i> is a three-round <i>Wildside Gaming System</i> adventure for beginning or intermediate players. Players earn the possession of a map showing the location of the famed Dvaline Blade. Despite the legends of its dangers, the blade is a tremendous prize, well-worth traveling to a fallen fortress in the frozen north to to recover it. Watching over their every move—and betraying them at the end—is their turncoat benefactor. The adventure includes new monsters and mayhem, along with two dungeon crawl segments that should appear to old-time graph paper D&D players. (Robert Altomare)</p>	<p>Wildside Gaming: Introduction to Wildside <i>The Wildside Gaming System</i> is a flexible, innovative, ultra-realistic role-playing system designed specifically for adult and experienced gamers.
